

Fourth Annual Ethics Seminar

Legal & Ethical Issues of Online Therapy

September 14, 2012 6 Pre-Approved CEU's
Intercontinental Hotel on the Plaza Kansas City

Please join us for an outstanding seminar about the ethical framework for the use of internet technology in mental health therapy based on the five most prominent authoritative sources: American (EthicsCode, NBCC, ACA), United Kingdom (BACP), and Cyberspace (ISMHO). These publications comprise the guidelines, suggested principles, and recommendations for online therapy practice. You will learn about the ethical implications of intake forms and assessment, informed consent, privacy policies and dual relationships, and the legal issues pertaining to the delivery of online counseling.
